Thanks Brian.

Adding here the Regional Removal Managers for R8, R6 and R9 who should be aware of your concerns and the impending intent to discuss. Also including Chris Ruhl here who may/will have insight into prior discussions/decisions made for the GKM response operations.

Subject: Safety & Health Requirements for Field Deployment of EPA Employees

## Deliberative Process/Ex. 5

I will be setting up a call early next week to discuss this safety issue and our requirements for field deployment:
